The Honorable William J. Casey  
 Director of Central Intelligence  
 Central Intelligence Agency  
 Washington, D.C. 20505

Dear Bill:

As you know, on February 2, 1984, the Senate Select Committee on Intelligence held a hearing on the President's Report on Soviet Non-Compliance. Senator Wallop requested -- and the Members approved -- a report being prepared for the Senate by the Select Committee on Intelligence on Soviet non-compliance. The staff has been instructed to draft such a report in a timely manner.

For such a report to fairly evaluate the President's Report, the staff will require further meetings and briefings. The purpose of this letter is to request that you make available to the staff working group one of the co-authors of the report -- [redacted] of CIA -- for a meeting in the near future to discuss how the President's Report was put together.
